

Family histories of the First World War – stories & objects

- Have you family stories to share about life during the First World War?
- Where were they working during the war? In a munitions factory, a linen mill, or the shipyards?
- During war time were any family members involved in Unionist or Nationalist politics/events eg. The Easter Rising?
- Was your family member a suffragette or a conscientious objector?

If so we invite you to attend our roadshow day **Thursday 24th September**, Ulster Museum. We would like to collect your stories and digitize your objects.

Please contact Fiona Byrne fiona.byrne@nmni.com to book a free place.
