THE SOMME

REMEMBER **AND** REFLECT

Comber Historical Society in partnership with North Down Museum invite you to a fascinating family day to commemorate local people who fought and died in the **First World War** in the wonderful setting of the Andrews Memorial Hall fittingly built in 1915 in memory of Titanic Designer Thomas Andrews.

- Living Legacies 1914-1918 will be on hand to explore your WW1 ancestors, to record and preserve their stories and memorabilia for the future.
- United Ulster History Forum will have uniforms, weapons and military items on display as well as the stories of many soldiers to tell.
- The North of Ireland Family History Society will be on hand to discuss how to research your ancestors.
- Listen to music from the time period and enjoy a cup of tea!
