THANK YOU!

Thank you to all you for participating in the Ballykinlar History Hut Project! Since we launched in September 2018, we've enjoyed numerous activity days all over the island of Ireland, from the WW1 training trenches at Ballykinlar in County Down to the Curragh army camp in County Kildare. We've learned so much and enjoyed your stories and personal anecdotes. Your enthusiasm has been terrific and the turn out for all these events was fantastic.

A special word of thanks must go to all the heritage professionals and visitor guides who made our trips all the more special and of course a big thank you to the catering team at Down County Museum who never failed to deliver our great packed lunches?

We will, of course, keep you updated on the next stages of the project and hope for your continued support!

For any queries about the project, please contact Mike King (michael.king@nmandd.org) or Elaine Reid (elaine.reid@qub.ac.uk)
